## About Us

We are a locally owned chain of Ace Hardware stores (did you know Ace is a co-op?) located in Washington, DC, Takoma Park, MD and in Baltimore, MD. We sell over 25,000 items in our stores and want to help encourage “product makers” to expand their reach. Our products fall into 9 main departments including paint, cleaning supplies, tools, lawn & garden, housewares, plumbing, electrical, seasonal and so much more. To learn more about us, visit [www.charmcityacehardware.com](http://www.charmcityacehardware.com).

In order to spotlight products made in the communities where our stores are, we are dedicating one end cap (approximate space is 4 feet wide by 4 feet tall) to a local entrepreneur and are soliciting RFP's to choose our first round of new vendors.

It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, or disability.
